Areas of Expertise

- Secret Clearance
- Information Gathering and Dissemination
- Teaching
- Equipment Management
- Security
- Critical Thinking
- Adaptability
- Communication
- Punctuality

Experience

Information gathering and dissemination

- Gathered, reformed, and disseminated information to and from supervisors resulting in the success of several training exercises over the course of 30 days.
- Received awards from the resulting successful missions due to no loss of personnel or equipment.

Teaching/Mentoring

- Instructed 20 supervisor level individuals increasing performances in leadership roles and material comprehension.
- Developed course material, training events, and satisfactory testing procedures to ensure competency of all students in the leadership course.

Equipment Management

- Daily accountability of upwards of \$15000 of personal equipment.
- Facilitated the accountability and movement of more than 400 individual's sensitive items resulting in the retention of 50 million dollars of government equipment.

Critical Thinking

- Daily requirement to evaluate constantly changing stressful situations and determine safest way to resolve and prevent conflict ensuring the safety of over 4000 Americans and local personnel for 6 months.

Communication

- Presented with the opportunity to mentor and evaluate 18 foreign officials for 33 days creating greater international relations and trust.
- Succeeded in the starting and implementation of 3 different foreign officer training courses resulting in better communication skills, multiple platform proficiencies, increased efficiency in supervising techniques, and ultimately the ability to adhere to and enforce the high standards of the host nations policies.

Security

- Daily requirement to patrol, monitor, and protect base of operations, and surrounding area, resulting in the safe distribution of ammunition to the entire middle eastern theatre.
- Routine, armed and unarmed, foot and vehicle patrols
- Daily requirement to keep and maintain logs and surveillance reports

Training

- Three years of Equal Opportunity training
- Three years of Suicide Prevention training
- Three years of Sexual Harassment Prevention training
- Hazardous Material Handling and Movement qualification
- Traffic safety and Accident Avoidance course
- Cyber security safety training
- Basic risk management course
- First Aid/Basic Life Savers course
- Three years of tactical operations and security training
- Six weeks of intelligence/counter intelligence support training
- CPR certified
